Hilo Apartment Complex Concept Design

Client: Withheld
Location: Hilo, HI
Cost: Not applicable
Size: 150,000 s.f.
Year: 2008

This conceptual design for a new three-story apartment complex to be located in Hilo consists of a mix of Studio, one-bedroom and two-bedroom apartments. The buildings were placed on the site to create a pleasant interior courtyard with a pool and native landscaping.

The parking and fire vehicle access lane were kept to the outside perimeter to allow the interior courtyard to remain undisturbed by vehicular circulation.

Architect-of-Record: Durrant Media Five; individual project experience of Scott Fleming
